Re: MDL-1850 -- In re Pet Food Products Liability Litigation

(See Attached Schedule A of Order)

Dear Mr. Walsh:

I am enclosing a certified copy and one additional copy of a transfer order filed today by the Panel in the above-captioned matter. The order is directed to you for filing.

The Panel's governing statute, 28 U.S.C. §1407, requires that the transferee clerk "...transmit a certified copy of the Panel's order to transfer to the clerk of the district court from which the action is being transferred."

A copy of Rule 1.6 of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation, 199 F.R.D. 425, 428 (2001), which deals specifically with the transfer of files, is enclosed for your convenience. Also enclosed are a complete set of the Panel Rules and a copy of Chapter 7 of Volume 4 of the Clerks Manual, United States District Courts.

The Panel Clerk's Office maintains the only statistical accounting of multidistrict litigation traffic in the federal courts. These statistics are used by the Administrative Office of the United States Courts and the Judicial Conference. Therefore, your cooperation in keeping the Panel advised of the progress of this litigation would be appreciated. We are particularly interested in receiving the docket numbers assigned to each transferred action by your court; the caption and docket numbers of all actions originally filed in your district; and copies of orders regarding appointment of liaison counsel, settlements, dismissals, state court remands, and reassignments to other judges in your district.

Your attention is also directed to Panel Rule 7.6, regarding termination and remand of transferred actions. Upon notification from your court of a finding by the transferee judge that Section 1407 remand of a transferred action is appropriate, this office will promptly file a conditional remand order.

For your information, I am enclosing a copy of the Panel Attorney Service List.

RELEASED FOR PUBLICATION

DOCKET NO. 1850

BEFORE THE JUDICIAL PANEL ON MULTIDISTRICT LITIGATION

IN RE PET FOOD PRODUCTS LIABILITY LITIGATION

BEFORE WM. TERRELL HODGES, CHAIRMAN, D. LOWELL JENSEN, J. FREDERICK MOTZ, ROBERT L. MILLER, JR.,* KATHRYN H. VRATIL, DAVID R. HANSEN AND ANTHONY J. SCIRICA, JUDGES OF THE PANEL

TRANSFER ORDER

This litigation presently consists of thirteen actions listed on the attached Schedule A and pending in eight districts as follows: five actions in the Western District of Washington; two actions in the Western District of Arkansas; and one action each in the Central District of California, the District of Connecticut, the Southern District of Florida, the Northern District of Illinois, the District of New Jersey, and the Eastern District of Tennessee. Before the Panel are three motions, pursuant to 28 U.S.C. § 1407, that taken together seek centralization for coordinated or consolidated pretrial proceedings of all of these actions.[1] All responding parties agree that centralization is appropriate, but differ regarding the most appropriate transferee district for this litigation. In favor of the District of New Jersey as transferee district are moving Central District of California and Southern District of Florida plaintiffs and plaintiffs in the District of Connecticut, the District of New Jersey, and three of the Western District of Washington actions before the Panel, as well as plaintiffs in fourteen potentially related actions. Plaintiffs in two of the five Western District of Washington actions move for centralization in the Western District of Washington; plaintiffs in the Eastern District of Tennessee action support centralization there; and plaintiffs in the other three Western District of Washington actions alternatively support centralization there. In favor of the Western District of Arkansas as transferee district are plaintiffs in the two Western District of Arkansas actions and the Northern District of Illinois action, and plaintiffs in six potentially related actions. Plaintiffs in two potentially related District of New Jersey actions alternatively support centralization in the Western District of Arkansas. Supporting the Northern District of Illinois as transferee district are all responding defendants, including Menu Foods, Inc., and its related entities, and plaintiffs in one potentially related action. In favor of the Central District of California as transferee district are plaintiffs in nine potentially related actions. Finally, plaintiff in a potentially related Northern District of Ohio action suggests centralization in the Northern District of Ohio.

On the basis of the papers filed and hearing session held, the Panel finds that the actions in this litigation involve common questions of fact, and that centralization under Section 1407 in the District of New Jersey will serve the convenience of the parties and witnesses and promote the just and efficient conduct of the litigation. All actions stem from the recall of pet food products allegedly tainted by melamine found in wheat gluten imported from China and used in these products. Centralization under Section 1407 is necessary in order to eliminate duplicative discovery; avoid inconsistent pretrial rulings, especially with respect to class certification; and conserve the resources of the parties, their counsel and the judiciary.

* Judge Miller did not participate in the decision of this matter.

[1] The Panel has been notified of 97 potentially related actions pending in multiple federal districts. In light of the Panel's disposition of this docket, these actions will be treated as potential tag-along actions. *See* Rules 7.4 and 7.5, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001).

Although several districts could be described as an appropriate transferee forum for this nationwide litigation, we are persuaded to select the District of New Jersey. Pretrial proceedings are advancing well there and about one-third of all pending actions are already in this district.

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, the actions listed on the attached Schedule A and pending outside the District of New Jersey are transferred to the District of New Jersey and, with the consent of that court, assigned to the Honorable Noel L. Hillman for coordinated or consolidated pretrial proceedings with the actions pending there and listed on Schedule A.
